

# Merzouga +

Since 2002 Merzouga has been regularly playing duo-concerts. The instrumentation makes it attractive though to invite guest musicians to join them. Usually they are all different kinds of instrumentalists. From time to time the two also collaborate with poets and actors. Thus they have performed numerous concerts at Sonic Vigil 6 Festival in Cork/IR, lab30 Festival in Augsburg, OPENING! Festival in Trier, Erlanger Hörkunstfestival and UNSOUND Festival in Krakow/PL
