

Reading, Thinking, Looking

An Encounter with the Writer Siri Hustvedt

Feature by Janko Hanushevsky.

Produced by Deutschlandfunk/Bayerischer Rundfunk/Norddeutscher Rundfunk 2016.

Siri Hustvedt & Janko Hanushevsky 2015 in Cologne

How do we see, remember and feel? What does it mean to sleep, to dream and to talk? What happens when I look at a work of art or when I read a book? This excursion into the “*You that is also an I*”.

Siri Hustvedt ponders existential questions in her essayistic work.

A radio-piece about the power and the beauty of thought, a meditation about reading and about how books and words can change your life.
